To the Secretary to the Government, Revenue Department.

Copy of letter from M. Karamatullah Esq., I.C.S., Collector of Bellary, Ref.C.1493/40-A-1, dated 4-4-1940 to the Secretary to the Board of Revenue, Madras.

Village Officers - Nirganti - Temporary - Siruguppa Taluk - Gundiganur village - Entertainment - Sanction - Orders - Requested.

B.P. 160, Mis, dated 16th January 1914.

In G.O. No.80, Revenue dated 7-1-1914 communicated with B.P. No.160 Mis. dated 16-1-1914 sanction was accorded for the employment for the Gundiganur tank of a Nirganti on Rs.5/- per mensem, the then scale of pay, for a period of six months from July to December every year. The Tahsildar of Siruguppa reports that, as the tank received its first supply of water only on 15-8-1939, he entertained the nirganti from that date, and requests that his appointment may be sanctioned for six months from 15-8-1939. The orders referred to above appear to be definite about the period of entertainment i.e. from July to December.

The date of entertainment of a nirganti depends upon the supply received in the tank and there will be no necessity for a nirganti when there is no water in the tank I therefore presume that the spirit of the order is that a nirganti may be entertained for a period not exceeding six months in any period of the year when the tank receives supply, and not necessarily from july to December irrespective of the supply in the tank. I request to be informed if my presumption is correct.

Board's Ref. C.2465/40-1, dated 10-5-1940 to the Collector of Bellary.

Village Officers - Establishment - (Bellary) Siruguppa Taluk - Gundiganur village - Temporary Nirganti - Period of employment - Alteration.

Ref:- From the Collector of Bellary, C-A-1-1493 dated 4-4-40. p 3 above

---

The Collector presumes that the spirit of G.O. No.80 Revenue dated 7-1-1914 is that the nigranti may be entertained for a period not exceeding 6 months in ANY PERIOD OF THE YEAR. He is requested to report whether a nigranti is necessary after December even though there may be a small quantity of water in the tank. If he considers the nigranti necessary he is requested to state the ~~measures~~ full reasons for it and also how the tanks were managed without a nigranti after December in past years.

From M. Karamatullah, I.C.S., Collector of Bellary, Refce. No.1493/40-A-1, dated 12-6-1940 to the Secretary, Board of Revenue, Madras.

Village Officers - Establishment - (Bellary) Siruguppa Taluk - Gundiganur village - Temporary nigranti Period of employment - Alteration.

Ref:- Board's Ref.2465/40-1, dated 10-5-40.

In normal years there will be little or no water in the tanks after December and the services of a nigranti are not required after December.

2. But during last year the Gundiganur tank received its full supply on 15-8-1939 and when the Tahsildar inspected it on 16-1-40 it contained 1½ month's supply of water. Hence the Nirganti was allowed to continue even after December for a period not exceeding six months from the date of entertainment. In exceptional cases like this, permission may be accorded to entertain the Nirganti even after December provided the total period does not exceed six months.
